From the Editor / Editörden

Dear colleagues,

We are proud to present you the first issue of 2017. We hope that our selected eight original research articles together with a case-report would draw your attention for this issue.

Together with another new year, we aim to reach higher goals and further destinations for our journal with the aid of your kind support and feedback.

Please stay tuned for the next issue.

Assoc. Prof. Dr. Yusuf Üstü
